

# DOWNHILL DIVERS

## PAINT & SIP PICNIC

As a way to relax and get a chance to hang out with our sisters before the semester starts, we had an Aggie Park to paint, picnic, & enjoy great moshals. The drink menu included virgin strawberry mojitos (lime infused, spritz with strawberries & mint), & virgin strawberry lemon margaritas (strawberry lemonade infused with lime) out of the cutest juice glasses. The fan favorite painting was LeAnne's rendition of a golden snare hybrid, complete with rows of sharp teeth. No matter the skill level, we all had a great evening. Paint & Sip was such a cute way to start out the semester. I loved getting to do some outdoorsy painting with all the girls while we sipped on moshals. Pat & the sisterhood committee made Aggie Park out so cute, they really stayed late evening. LeAnne Kong (Vets Class)

### AGGIE PARK TAILGATE

We hosted a large gathering of the A.O.S. and the A.M. Sisters brought their games to play while we got excited for the football game. We enjoyed the great music played at the game. The final sisters got to enjoy watching the football game together. Despite the rain delay, our team won and a win in the rain is still a win a great time. The sisters were delicious & loved getting to play cornhole. The tailgate was awesome. -Gwyneth Svatik (Phi Class)

### CANDIDATE INITIATION

Getting to officially call Phieta 'Candidates' is such a special moment. These young women are so much. Our candidates are what differentiates us from other organizations. We are excited for everyone who helps keep our traditions alive. This semester's candidate initiation was so fun. Actives dressed their best, always, and belatedly performed some fun songs before began. Seeing all the new candidates together in a room was a wonderful thing. We are excited for the next six weeks. -Marina Boyer (Phi Class)

# WIFE OF THE MONTH

## SISTER OF THE MONTH GWYNETH SYATEK

This month, we recognize Gwyneth for going above & beyond as an Active. As part of Mia Class, it was her first recruitment as an Active, & she was the only non-officer to attend 6 of the 8 non-required recruitment events. On top of this, Gwyneth is active in the Discords, & even makes the time to see movies or go to football games with her sisters, no points attached. Thank you for your passion for friendship, & an extra congratulations to Gwyneth for being super (class).
