

### Public Speaking Workshop

Our PA Director, Kelly (Position Class), shared some great pointers for tackling public speaking. We learned how to practice and present, as well as how to overcome nervousness before a big presentation. It was a great workshop!

### Yoga Class at the 3rd Edge

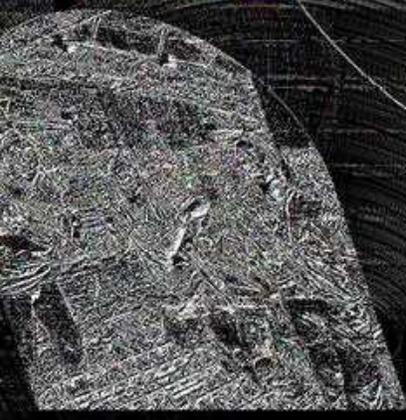

NO., took some time to relax and enjoy some each other at a weekend yoga class where we zen. It was a truly unique experience where we to practice both physical and mental balance and our sisters. Doing yoga with my sisters was indeed the best, so productive... was challenging it was, the poses had the strength go! With my friends made me feel so good. It was a great start to my Saturday.

### Strawberry Valley Food Bank

We're so thankful that our Natives love giving back to local College Station and Bryan communities. Thanks to our Director of Philanthropy, Michelle Long, we had the opportunity to work with the Strawberry Valley Food Bank, whom we frequently hold canned food drives for. It was extremely rewarding packing and organizing boxes of food with sisters knowing that those boxes will eventually go to local people and families in need.

# NOVA

## NOVA Omega Chapter's Day

January 1st was Omega's Day, celebrating 100 years since the first Kappa Omega Colony was founded in 2018. The first meeting consisted of just 10 girls out of the foundation of our amazing organization. Since then our chapter has grown tremendously, expanding to currently consisting of 2023 and just 27 actives to over 36 majors, 14 actives and 50 alumnae currently in 2023. We love how much we've grown and can't wait to see how else we expand in the future.

Over 40 Wonderful Things to Do

Under the guidance and instruction of Angela Baker (Delta Class), we celebrated another fabulous year in the shades of "o.y.s", whites, and sand colors. The cookies were all really delicious, and we had a great time crocheting, no matter the skill level. Want to try doing cookies at home? Follow the basic steps below with any design you may come up with.

- 1) Put food coloring and regular cookie frosting into bags and seal the top of the bag.
- 2) Choose your size, color and outline the areas wanted to fill with regular icing, then apply.
- 3) Press the outlined areas to the cookie and the cookies are sold, preparing for every color.
