NOVEMBER 2024

Congratulations to our November Downfall Star of the Month, Mya Alexander (Spelman Class). Mya has had weeks of heavy exams & homework assignments, but still attended lots of events & all of our rituals/Chapters. Despite not taking a break this semester, Mya completed many OOs, & even attended Sig. She never took a break & kept going every day to make it go smoothly. Mya was also a committed member this semester for the Treasury & Regulatory committee, being a fantastic job assisting with our annual report. Mya has been an excellent role model for our members.

Mya's ability to stay motivated & organized throughout her semester is truly impressive. She has shown a strong sense of responsibility & dedication to her organization. Mya's hard work & commitment have made a significant impact on our community. We are proud to have her as our November Star of the Month. Mya's achievements are a testament to her strength & resilience. We look forward to seeing her continue to excel in all her endeavors.
